

State Rep Duties:

Thank you for offering to be a WSCGA State Representative. State Reps are a vital asset to the WSCGA and we look forward to working with you each season to ensure our members have a memorable experience on the course along with building life-long friendships. The duties of the State Rep are listed below:

- The liaison between their club, their LGA, and the WSCGA.
- The WSCGA will send an email to all South Carolina women maintaining GHIN handicaps on the 28th of each month. The information will be very similar to what State Reps receive in their email two days before on the 26th.
- On the 26th of every month you will receive an email with upcoming events information.
- Keep us up to date on the needs of our members i.e. wanting a event format, new event, need any type of help off the golf course, suggestions on how to be better at what we do
- When hosting a WSCGA event at your club:
 - Assist in securing the volunteers i.e. scorers, starters, spotters, etc. -Help arrange the meals within WSCGA budgets
 - Discuss with Pro best dates to host and help secure venue. Input on tees to play, etc.

When hosting an event, State Reps can be involved as much or as little as they would like. We understand they have other roles and duties in their life that are priority. We thank you for being a State Rep and for helping the WSCGA expand the ever-growing game of Women's Golf.
