QUALIFICATIONS FOR REGULAR MEMBERSHIP

1. The club must have only one Women's Golf Association with a Constitution and By-Laws. The association must agree to abide by the Constitution, By-Laws and rules and regulations of the Women's South Carolina Golf Association.
2. The club must have an 18-hole regulation golf course.
3. ***Each member association must agree to place all of its Women's Golf Association members on Women's South Carolina Golf Association's Handicap Program.***
4. Regular Membership shall entitle a member association to all privileges of the Women's South Carolina Golf Association.
5. The Women's Association must have the full support of the club's governing body concerning the hosting of One-Day State tournaments as assigned on the rotation schedule approximately every three to four years. Consideration will be given to the club's requests in the scheduling of these One-Day events.
6. The club should have dining accommodations conveniently available.
7. Before membership is realized: (a) A WSCGA representative may request to meet with the club's women's golf association representative. (b) The golf course must be rated by the WSCGA rating committee. (If not previously rated) All memberships are confirmed by the WSCGA Board or Executive Director.
8. It is the responsibility of all member associations to notify the WSCGA office of any subsequent change in the status of the club and/or the women's golf association.
